## Algerian Ports & Airports deserved

**GFT** Global Freight Transit

- GFT has its own set-up in Algeria with Headquarters in Algiers and office covering the Algerian Territory. Its role is mainly Customs clearance, Project delivery, Warehousing and distributions and Special Operation (such as Power plants projects, transformers, Rig Move).

### GFT Facts

- Founded in 1993
- With a capital of 443 Millions Algerian Dinar
- With a staff of 250 people
- Holds a local customs & Transport Forwarding license

### GFT is located at

- Algiers (Head Office / port and airport activities / bonded warehouse and open yard)
- Oran (port and airports services)
- Mostaganem (port services / open/bonded storage yard)
- Skikda Port (bonded yard/open storage yard)
- Hassi Messaoud bonded warehouse and open yard
- Adrar bonded warehouse and open yard

---

## Algeria SOP Summary

The Customs formalities in Algeria could be very hard, tedious and time consuming leading to headaches and heavy costs.

In order to avoid any shortcut which could be mistaking, please refer to the SOP available on the internal GFT system.

### General Cargo

- SOP Airfreight Import clearance
- SOP Seafreight Import clearance

### Projects Solutions

- SOP Ports (heavy lift) and Hassi Messaoud Airfreight Import Clearance
- SOP Ports ( heavy lift) and Hassi Messaoud Seafreight FCL-LCL / Roadfreight

The consequences linked to a wrong declaration can be very high in terms of :

- Financial costs
- Delay of delivery with cargoes being blocked for weeks or months.

NB : cargoes landed by mistake in Algeria might be not recoverable!

## GFT offers the following services

Storage yard (bonded/open), fleet of vehicles (including flatbed, container tilt, car carriers-trailers and tractors, pick-up, van and mobile cranes, Gantry Crane (1000 and 1100t), GFT offers:

- Freight Forwarding Services (Air, Sea, Road, Multimodal)
- Project Cargo Forwarding Services with a strong and long experience of Out of Gauge and heavy and oversized goods operations
- Oil & Gas Forwarding Services
- Supply Chain Logistics operations
